the moral philosopher and novelist iris murdoch said that philosophy is both the guide and mirror of the age in this wide ranging book mark hopwood explores the significance of murdoch s philosophy in the present day paying particular attention to her account of the role of metaphor and imagery in moral reasoning hopwood argues that one of the main reasons murdoch s work has often been neglected by mainstream moral philosophers is that she offered a radically different conception of what it means to do moral philosophy rather than seeking to establish a single systematic moral framework in the manner of utilitarian or kantian theories she argued that moral philosophers ought to be concerned with describing the varied range of moral concepts that we actually use in everyday life and elaborating new concepts and modes of understanding to meet our most pressing social needs examining the role of vision imagination love goodness and transcendence in murdoch s work the moral philosophy of iris murdoch presents a compelling and original argument that she is one of the major moral philosophers of the twentieth century
